

**AQUATIC INVASIVE SPECIES
MANDATORY SELF-INSPECTION LAUNCH CERTIFICATION PERMIT**

CA Fish & Game Code Sections 2301
Nevada County Ordinance 2357
Sierra County Ordinance 1041

Must complete & sign. Please deposit the top portion of this form in collection box and display bottom portion on vehicle dashboard before launching your watercraft*

*Watercraft: any vessel carrying one or more people on water, including all boats, canoes, kayaks, paddleboards, skiffs and rafts.

Vessel Registration Number: _____ Zip Code: _____ Date: _____

Boat Type (circle one): Ski/Wake Sail PWC/Jet Ski Fishing Pleasure Boat Wooden Non-Moto Other: _____

Last Waterbody visited with this watercraft: _____

1. Is your vessel, trailer and all equipment **clean** of all mud, dirt, plants, fish or animals and **drained** of all water including all bilge areas, fresh-water cooling systems, lower outboard units, ballast tanks, live-wells, buckets, etc. and completely **dry**?
 - YES, my vessel is Clean, Drain and Dry
 - No, my vessel is NOT Clean, Drain and Dry. Vessel must be **cleaned, drained** and completely **dry** before it will be permitted to launch. Do not clean or drain your vessel by the lake or at the launch ramp. See below for details on how to properly clean your vessel and equipment prior to launching.

2. Has your vessel been in any of the infested waters listed on the back page of this form within the last 30 days?
 - YES, my vessel has been in an infested body of water: Go to question 3
 - No, my vessel has NOT been in an infested body of water: You are ready to launch. Complete, sign and date the bottom portion of this Launch Certification Permit and display it on the dashboard of your vehicle. Please deposit the top portion of this form in the collection box.

3. If you answered YES to question 2: Has your vessel, trailer and all equipment been thoroughly cleaned and allowed to completely dry for at least 30 days since you last launched or has it been professionally decontaminated?
 - YES, my vessel has been Clean, Drain and Dry for 30 days: you are ready to launch. Complete, sign and date the bottom portion of this Launch Certification Permit and display it on the dashboard of your vehicle. Please deposit the top portion of this form in the collection box.
 - No, my vessel is NOT Clean, Drain and Dry: **DO NOT LAUNCH**. Your vessel must be thoroughly cleaned and dried or professionally decontaminated before it will be permitted to launch.

I affirm that my vessel does not threaten the lake with aquatic invasive species because my vessel is clean, drained and dry and has not been in any infested waters within the last 30 days, or has been thoroughly cleaned and dry for 30 days or has been professionally decontaminated.

Signature: _____ Date: _____

Thank you for helping to protect our lakes from aquatic invasive species.

Aquatic Invasive Species (AIS) threaten the health of our waters! All watercraft, fishing equipment and recreational gear that touch the water can pick up AIS.

CLEAN, DRAIN & DRY

To properly clean, drain and dry your vessel and equipment open all hatches; pull all plugs and lower outdrive to remove any residual water. Remove all plant material or debris. Allow to thoroughly dry. More info at
